Dear FEC staff,

Enclosed is our FEC Form 9A filing.

Attached is Form 9A as a word document, and an excel spreadsheet containing the receipts of all contributions \$1000 or more.

We understand you prefer email filing, but we have not yet heard the final word on whether you need a faxed copy of this report as well. So for this first filing, I have also faxed the signed copy of the word document to (202) 219-0174.

Thank you.

Wes Boyd
